

.....,

DECLARATION of REVIEWER

writing a review commissioned by the Editor of the quarterly
Journal of Machine Engineering

I hereby declare that there is no conflict of interest between myself (the Reviewer) and the Author of the reviewed article bearing the editorial number, entitled:

.....
.....
.....

A conflict of interest between the Reviewer and the Author shall be deemed to occur in the case of:

- direct personal relationships, i.e. kinship, legal relationships, conflict, etc.;
- professional subordination relationships;
- direct scientific collaboration in the last two years preceding the writing of the review.

.....

(Signature of Reviewer)
